Frösunda has signed an agreement with a company within the Kinland Group regarding the sale of two real estate properties pertaining to the segment Disability. The properties are located in Bredaryd, in the municipality of Värnamo. The transaction will have a substantial positive effect on Brado AB:s result for the second quarter of 2022. The transaction was completed through a share sale of the real estate owning company. Closing took place on 28 June 2022 and the purchase price was paid in full.

In connection with the transaction Frösunda and the real estate company entered into a lease agreement with an initial lease term of 15 years. Frösunda continues to operate LSS-housing (*Sw: servicebostäder*) on both locations.

Frösunda looks forward to a continued and strengthened cooperation with the Kinland Group. The parties have previously entered into lease agreements.
